

## 2026 *Défilé* Information Packet

**Saturday, May 23, 2026**

Ives Theatre, Minnesota Masonic Heritage Center  
11411 Masonic Home Drive, Bloomington, MN

### What is *Défilé*?

---

The French word “défilé” translates in English to a “procession or show.” This is Ashley Ballet Arts Academy’s annual semi-formal end-of-the-school-year showcase. Although our motif may alter from year to year, we maintain a tradition of hosting *Défilé* not as a full-length ballet production with extravagant costumes, but rather as an intimate performance where our students can demonstrate the skills and progress they have gained during the school year.

### Participation

---

Though highly recommended, participation is not mandatory. Learning choreography is a fun and essential part of dance training, so even if students choose not to participate in *Défilé*, they will still learn the choreography during class time.

The attached Participation Form is due by **Saturday, January 17, 2026 *whether or not*** your dancer will participate.

### Choreography

---

Each class level has a syllabus which students progress through from September to May. Beginning in February, instructors start stringing together skills from the syllabus and set them to music to create a choreographed “piece” which the students will perform at *Défilé*. This enables us to make technique the forefront of our classes, yet also give the dancers experience learning and performing choreography — another valuable element of their training.

This year, we are thrilled to showcase our classical ballet theme. ABAA’s Ballet Arts Youth Ensemble (BAYE) will be showing the full ballet called, “Carnival of The Animals”. Drawing inspiration from the ballet the remainder of the Academy will be showcasing the theme “Symphony of Nature”.

*Due to the nature of the class work, pre-pointe, pointe prep, acro and Mind/Body classes will not have a performance piece.*
